NOTE: Send notifications to crc@rangesafety.ca for inclusion into this document

Notifications to be sent to Range Control should:

1) Any rig moves or mass movement of equipment occur on any CLAWR Ice Roads;
2) Any loads on any CLAWR all season road are wider than 14'7" (4.45m);
3) CLAWR Traffic regs are to be adjusted in any way; and,
4) If any safety concern cannot be mitigated through process...thereby requiring RPO assistance.
