NOTE: Send notifications to crc@rangesafety.ca for inclusion into this document

Notifications to be sent to Range Control should:

- 1) Any rig moves or mass movement of equipment occur on any CLAWR Ice Roads;
- 2) Any loads on any CLAWR all season road are wider than 14'7" (4.45m);
- 3) CLAWR Traffic regs are to be adjusted in any way; and,
- 4) If any safety concern cannot be mitigated through process...thereby requiring RPO assistance.
